INDEX TO VOLUME 28

Anthedonia Michener, Bees of the genus, in North America....132
Amblyomma americanum L., The lone star tick, in Rhode Island 101
Aphid, Some aphid and host plant records from Missouri 64
Baerg, W. J., article by 147
Beamer, R. H., articles by 29, 41
Beer, Robert E., article by 19
Book notices 60, 80, 135
Borland, J. G., article by 158
Burkhardt, C. C., article by 50
Burkhardt, C. C. and Harry R. Bryson, article by 1
Causey, Nell B., article by 69
Chigger, A new genus of chigger mites 136
Dacus (*Afrodacus*) Bezzi, The, of the world 3
Diabrotica virgifer Lec., Notes on distribution of the Western Corn Rootworm, in Kansas 1
Dikraneura, Two new species of 158
Diptera, Two new, from the Pacific Coast States 47
Drake, Carl J., articles by 130, 152
Emerson, K. C., articles by 144, 146
Errata 122
Evans, Howard E. and Carl M. Yoshimoto, article by 16
Frick, Kenneth E., article by 88
Goniodes, Notes on two species of 146
Hamilton, E. W., article by 46
Hardy, D. Elmo, article by 3
Hopla, Cluff E., artcles by 114, 121
Hoplitis pilosifrons and *Stelis lateralis,* Some biological observations on 81
Horber, Ernst, article by 93
Hungerford, H. B., article by 67
James, Maurice T., article by 47
Kermes pubescens Boque, Notes on the biology of a post oak scale 147
Kring, James B., article by 64
LaBerge, Wallace E., article by 132
Lampracanthia crassicornis (Uhler), The macropterous form of 107
Limnometra, A new, from Sumatra 67
Lipovsky, Louis J., D. A. Crossley, Jr., and Richard B. Loomis, article by 136
Liriomyza pusilla complex No. 3, Nearctic species in the, *L. alliovora,* new name for the Iowa Onion Miner 88
Macronoctua onusta Grote, Records of, the Iris Borer, in Nebraska 46
Martin, Chas. H., article by 116
Mathewson, John A., article by 101
Mathewson, John A. and Howell V. Daly 120
Megamelus, A revision of the genus, in America north of Mexico 29, 41
Melissodes, A brief note on the sleep of male 120
Merragata, A new species of, from Mexico 27
Meromyza americana Fitch, Seasonal dichromatism in, in relation to variable length of preoviposition period 93
Metrobates, A new, from the Gulf States 130
Michener, Charles D., article by 81
Moths, A study of, captured at a light trap at Westlaco, Texas 102
Otobius lagophilus, Observations on the life history of a rabbit tick 114
Parataracticus Cole, New species in the genus, from southern California 116
Periclista, Biological studies in the genus 19
Pompilid wasps, An annotated list of, taken at Blackjack Creek, Pottawatomie County, Kansas 16
Porter, T. Wayne, article by 27
Radfordia subuliger Ewing, Description of a hitherto unknown male fur mite 143
Reinhard, H. J., articles by 49, 123
Riherd, Paul T. and George P. Wene, article by 102
Rolston, L. H., article by 109
Saldidae, New South American 152
Schomberg, Orville, article by 143
Slater, James A., article by 107
Southwestern Corn Borer, Insecticide tests against the 109
Strigiphilus barbatus (Osborn), A note on the identity of 144
Tachinidae, New genera and species of North American 123
Tick, American dog, Overwinter survival of eggs of 121
Wagneria, North American tachinid flies of the genus 49
White Grubs, Preliminary studies on the control of, in wheat 60
